- Reenrollment for the 2022-2023 school year is **online only**. You may access the reenrollment packet online at [www.prestonwoodclc.org](http://www.prestonwoodclc.org). Be sure to download the **2022-2023** school year packet.
- We will start accepting reenrollment packets **online Tuesday, January 25**. Only completed packets will be accepted on a first come, first served basis. **Incomplete packets will not be accepted.**
- Once your packet has been reviewed, you will receive a **Registration Placement Receipt** that will either:
  - Confirm your child has been placed in a classroom.
  - Confirm your child has been added to the waitlist.
- For those who receive a confirmed placement, the registration fee will be added to your ledger. Payment must be submitted by the deadline on your Registration Placement Receipt or your registration will be cancelled. You may pay either over the phone or through Tuition Express.

We will open registration to **Prestonwood Baptist Church Members** on Friday, Feb. 11 and the **Community** on Friday, Feb. 18. If you have friends interested in registering their children, please have them contact the CLC Office for more information.

If your child currently attends CLC either one day a week this year, you have the option of requesting one or two days for the 2022-2023 school year (exception: Pre-K is required to come both days).

### **Siblings (not currently in the program)**

If you have a child who is currently in the CLC 2021-2022 program, you may enroll any siblings not currently in the program for the 2022-2023 school year. The same reenrollment dates apply.

### **Classroom Placement**

Classes are formed according to the children's birth month/year. As children move up from one year to the next, they may be grouped with different birth months than they were the previous school year. **The current class or group of children your child is with this year may not be kept together for next school year.** We have many classes that overlap with birth months. In forming classes, we group by birth month first, but we also take other factors into consideration such as boy/girl ratio, etc.
